You can bring in your own food, just no alcohol or glass. It is ok to bring chairs, umbrellas, and small pool items like noodles, kickboards, and rings. Lockers are available for use. Bring your own padlock or purchase one at the Bay office for \$5.

The minimum supervision that they ask for is 1 adult for every 10 children, ages 6 -13 and a min. of 1 swimming adult for every 5 children, ages 5 and under. Supervisors must take an active and responsible role with all their children. You know your children, so use at least the Bay guidelines and more supervision if you need.
